

How to Use Power Point with

segment	what to do	power point slide
Welcome	Music playing as kids are checked in	1
Play Back from last week	Review highlights from last week	2
Curious Thing	use an object to produce curiosity about the lesson	3
Main Focus	State the main focus of your lesson	4
Stick to the Script	Ask if anyone knows the memory verse	5
Stick to the Script	Play the Memory Verse Game	6
Praise and Worship	Lead kids in praise and worship	7
Knot of the Week	Introduce the Knot of the Week phrase	8
Z Street Live	Play the game	9
Shout It Out	Ask for the first letter for the Shout It Out phrase Repeat four or five times	10
Lesson Highlights	Quickly cover the main points of the lesson	11
Reel Time	Introduce the Reel Time phrase	12
Make A Scene	Act out the Bible story like it is a movie rehearsal	13
Prayer Time	Lead the kids in a time of prayer and/or invitation to accept Jesus	14
Impact Skit	Start to read through Momma's Rules Allow the skit to interrupt the rules	15
Play Back	Review everything: lesson, Make a Scene, Knot of the Week, Reel Time, Impact Skit, etc. Ask if anyone now knows what the object (Curious Thing) at the beginning was about.	16
That's a Wrap	Play music while you release kids to their parents	17
It's Over	If parents see the Big City logo, that means they are late getting their kids	18

Save the Power Point file to your computer.

Fill in the text that pertains to your lesson.

Use it as you desire. Change the order by moving slides around.

Insert your own logos if you call your children's church something else.
