Blitz Christmas from Kidz Blitz Ministries, is a church Christmas celebration every family member can't stop talking about. This family experience is a mash-up of rockin' Christmas music, extreme games and crowd participation. Kidz Blitz Ministries calls Blitz Christmas a "crowd show" because it really is a show the whole crowd gets involved and participates in. *The Snowball Plunge* and *Santa Stuff* are 2 of the many competitions you'll experience. And even with all of the fun, laughter and excitement you won't miss out on a Christmas gospel message from Luke 2:10, which is the real star of the show. Not that you need any help getting in the Christmas spirit, but if you did, Blitz Christmas would definitely do the trick.

Recommended for all ages. Duration: 1 hour, 15 minutes.
